### How to communicate?

Not everybody but some of us speak English  
and/or another language - and of course, German.  
Even if you start learning German, please do not  
hesitate to contact us. Following the principle:  
Communication is more than language, we are  
looking forward to welcoming you.

## About BUND – Über den BUND انجمن ما - جمعیتنا

BUND „Friends of the Earth Germany“ is a non-profit, non-partisan and non-confessional federal grassroots NGO with more than 550.000 members and supporters. Donations and membership fees ensure our political independence.

## Our topics – Unsere Themen مباحث ما - مواضیعنا

Our group in Leipzig is committed to protecting the local environment and nature. We are a group of dedicated volunteers who organize events, excursions, presentations and workshops for environmental education relating to the following topics:

climate protection and  
renewable energy

green traffic and  
clean transportation

biological agriculture and  
healthy food

avoiding waste and  
recycling

chemical pollution and  
chemicals in products

nature protection and  
species diversity

## Our projects – Was wir machen پروژه های ما - مشاریعنا

Discover and join our current projects:

### VAGaBUND (various-species-garden)

Our community garden is open to everyone! We regularly meet twice a week. Please find further information on the back of the flyer

### BUNDspechte & Waldgeister (kids groups)

Our two kids groups provide activities with environmental background for children of age 5 to 10

### BUND-Streuobstwiese (orchard)

We manage our biotope, preserve its diverse habitats, take care of trees, harvest apples, make fresh apple juice and enjoy being in nature
